The Accident Medical Plan

Pays the medical bills of an injured participant or staff member.

Who is covered?

All participants of the Policyholder listed in the application are covered while participating in sponsored and supervised activities, games and practices, including travel directly to and from.

Medical Expense Benefit

The Accident Medical Expense Benefit is required and helps as the first line of defense when an accident medical claim is presented. When Medical bills are paid, without any out-of-pocket expense to the insured, the risk of a lawsuit under the General Liability can be greatly reduced. The claim must be submitted within 60 days of the accident and is subject to the plan deductible.

Excess Coverage

This plan does not cover treatment or service for which benefits are payable under any other insurance or medical plan available to the insured.

Accidental Death and Dismemberment Benefit

If a covered injury results in any of the losses specified below within one year after the date of the accident, the Company will pay the applicable amount.

- Full Principal Sum for loss of life
- Full Principal Sum for double dismemberment
- 50% of the Principal Sum for loss of one hand, one foot or sight of one eye
- 25% of the Principal Sum for loss of index finger and thumb of same hand

If the Principal sum is payable, no indemnity will be paid for dismemberment. In any event, the double dismemberment indemnity is the maximum amount payable under this Benefit for all losses resulting from one accident.

Exclusions and Limitations

This plan does not cover any loss to or resulting from:

- Sickness or disease in any form, except pyogenic infections due to an accidental cut or wound
- The use of drugs or narcotics, unless administered under the advice of a physician
- War or any act of war, whether or not declared
- Participation in any riot or civil commotion
- Air travel or the use of any device or equipment for aerial navigation, except as a fare-paying passenger on a regularly scheduled commercial airline
- Suicide or any attempt thereat or any self-inflicted injury

Nor does the Plan cover:
